STEP 1: On the bottom right hand corner of your screen, click on the wireless Icon, from the list of wireless networks, select ‘ufvisitor’ and click connect.

STEP 2: Open Internet Explorer (or preferred browser) and the following portal screen will appear.

STEP 3: Type in your Phone Number on the left and select either ● Text Message or ● Voice Call and click Request PIN. When you receive your 4 digit PIN, enter your phone number and PIN on the right hand side. Click Login and your Home page will load. This connection will be active for one week.

To check your wireless network and status:

Your wireless should be connected to ‘ufvisitor’ and you may see the following message.
To check your wireless status, put your mouse on the wireless icon to verify that you are connected to ufvisitor Internet access
