STEP 1: On the top right hand corner of your screen, right click on the wireless icon and click ‘Turn Wi-Fi On’.

STEP 2: Click the icon again (Located top right of screen) and select ‘ufvisitor’.

STEP 3: Open Safari (or preferred browser) and the following portal screen will appear. Next, Type in your Phone Number on the left and select either ● Text Message or ● Voice Call and click Request PIN.

STEP 4: When you receive your 4 digit PIN, enter your phone number and PIN on the right hand side. Click Login and your Home page will load. This connection will be active for one week.
