Handling of Tolls

- **Florida**: There is a $3.95 per day of use convenience charge, plus tolls; not to exceed $19.75. In lieu of transponders Enterprise and National use the PlatePass program for tolls.
  - Example: Travel to Orlando for 5 days and have tolls on 2 travel days. The charge will be $7.90 plus the cost of the tolls.
  - If you do not want to use this service, you have two other options:
    - Pay each toll with the toll booth attendant
    - If you have a personal transponder, PlatePass will not assess a charge
- **Northeast**: Tolls are still handled by transponder.
  - Chicago has a “toll pass waiver”, $7.00 per day for unlimited tolls
- **Everywhere else**: Check with the provider if unsure how to handle toll booths in any area.

To print a receipt of tolls, please use the appropriate website:
