

Guidelines for Car Rental Parking

Each Enterprise location offers the complimentary “We’ll Pick You Up” service (for more details please see [Guidelines Rental Cars](#)), however, parking options are limited to each locale.

Parking Available in Gainesville

Locally, there are only two locations providing parking for personal vehicles when picking up a rental from Enterprise.

1. **Gainesville Airport:** Long term parking is available for a fee of \$9 per day in their automated pay parking lot. More details are available through their [website](#). Parking fees at this location are reimbursed, along with the short term fee of \$1 to transfer luggage and/or equipment from a personal vehicle to the rental vehicle.
2. **39th Avenue Enterprise:** The City has granted permission to utilize a portion of the parking lot across the street from the Enterprise location at 410 NW 39th Avenue. There is no charge for parking at this location, but parking at this location requires two actions:
 - a. Park at the west end spaces of the lot right across from Enterprise (green spaces).

Attach the placard provided at the end of this document on your vehicle’s dash to identify that the vehicle belongs to a UF employee.
